The University of Arizona Retirees Association (UARA)
The UARA is an independent, non-profit, 501(c)7 organization committed to enhancing the well-being of all University of Arizona retirees during their retirement years, through Social Events, Advocacy, Volunteerism, Activities, and Educational Programs.

Alumni Association
In 2018 UARA collaborated with the UA Alumni Association (UAAA). This affiliation has proven to be mutually beneficial to both organizations as it enables a deeper partnership, especially in event promotion.

Advocacy/Organization
The UARA is an advocate for issues facing people retired from the UA, as well as older people in general. It brings items of critical information to the membership. The UARA is part of the Tri-University Retirees Association. A 15-member elected Board of Directors engages in information sharing, discussions, advisement, and policy-making on behalf of UARA. An Executive Committee is responsible for policy recommendations and agenda setting for Board action.

Board Meetings
All members are encouraged to attend. Six annual meetings are held in the UAAA Swede Johnson Building, 1111 N. Cherry Avenue, 10:00-noon, the second Tuesday of the month.

Activities/Luncheons
Members and their guests are invited to participate in several outings throughout the year, including tours, theatre, athletic events, workshops, and more. Four luncheons featuring guest speakers and interesting topics are planned annually at special Tucson venues.

Newsletter
The UA Retiree News provides information of interest, such as medical and retirement benefit changes, State legislative updates, activities and events on and off campus, and more. The newsletter is printed three times a year and mailed to paid members.

Seminars
A variety of educational seminars will be scheduled throughout the year. We are always exploring options for identifying interest area topics.

Travel
A catalog of UA Alumni Travel tours is available. Join their mailing list for updates about exciting new trips and special offers. Visit arizonalumni.com/programs-events/travel

Program Endowment
Established in 2017, this fund will be used to provide financial support for a variety of new, creative UARA programs to engage retirees, and encourage lifelong Wildcat involvement.
